Return / Repair Authorization Form

Return procedure:

1. Fill in the form in all its parts and send it, via e-mail, to: rma@barka.it
2. Wait for Barka to send back this authorization form with its RMA number (see below) and its identification label.
3. Please insert this authorization form (filled in) with the provided RMA number in the package to be sent.
4. Apply the received identification label outside the package.
5. Send the goods with **carriage paid shipments** to: Barka srl, Via G. Leopardi 4, 24060, Villongo, BG.

Please note that:

- Packages without the authorization form inside and the identification label outside will be rejected.
- With Electric pedestals / Struts, always ship the control unit and all the electronic items supplied by Barka
- If Pedestals / Struts are coupled (e.g. same door, same table, etc.), it is necessary to return the complete BARKA system (pedestals/struts, control units, keypad,etc.)
- Items with defects due to bad installation or incorrect use will be considered out of warranty and repaired or replaced in charge, subject to quotation acceptance by the customer.
- After 30 days of unanswered quotation, we will charge 50 € monthly for storage.

WARNING: All the goods returned without having followed this procedure will be rejected.

Reserved Section to be filled by Barka s.r.l.

We authorize you to return the above mentioned items
